Qualifications: It is a great honor to represent the people of District 64. I am continually impressed by the efforts of my constituents to keep up on the issues and policies that affect their lives. I welcome your comments, opinions, and suggestions. I believe in accountability, and strive to be responsive to the needs and wishes of District 64. My experience in the Legislature has taught me important skills that will be necessary as we move forward in an unstable and struggling economy. Utah, unlike many other states and the Federal Government, is willing to make tough decisions to balance our budget and live within our means. These decisions are not easy, but the needs of government must never put in jeopardy the stability of individuals and their families. I will continue to work towards pushing back the influence of the Federal Government on our State and Local Governments and communities. Washington, D.C. values and policies should not be forced on the people of Utah. I have a solid conservative record of lower taxes, limited government, educational excellence, and defense of the family.
